1976

SONCO begins manufacturing Temp Fence products, building a foundation in durability and repeat use.

2000

SONCO Rentals is born as customers' demand for quality Temporary Fence services expands over the years to cover a service area from Maine to Georgia.

2000-2020

20 years working inside Fence Rental Operations, learning firsthand how rotation, utilization, maintenance, and margins really work.

2016

SONCO e-commerce is launched to serve Fence Rental customers nationwide.

2021

After over 20 years of service, SONCO Rentals is sold to United Site Services.

2022

SONCO launches Renters Club to connect Fence Rental Companies directly with manufacturers and to get them the best deal possible.

2026

We keep expanding our product portfolio to strengthen our position in the marketplace while better supporting Fence Rental Companies with a broader range of solutions—celebrating 50 years of growth and commitment.
